5. Sources of Personal Data

We primarily receive personal data directly from you during your visit or before the visit by email or other communication channels. We may also receive relevant visit information from your host, your employer or another person arranging the visit.

6. Recipients of Personal Data

Within STABL Energy GmbH, access is limited to people who need the data to arrange or document your visit, manage access, maintain security or pursue the legitimate interests described above. This may include reception, your host, site management, security personnel and authorised decision-makers.

We may engage service providers under data processing agreements, particularly for IT, communication, visitor management and access-control services. We otherwise disclose personal data outside the company only where permitted or required by law, necessary to manage your visit or protect our rights, or covered by your consent. Recipients may include public authorities, police, supervisory authorities, legal advisers and courts where the relevant conditions are met.

7. Retention Period

Visitor records are deleted as soon as they are no longer required for the purposes described above, generally no later than 48 hours after the visit. Data may be retained longer where necessary to investigate a security incident or suspected offence, comply with legal retention or documentation duties, or establish, exercise or defend legal claims. Any extended retention is limited to the period required for the relevant purpose.

8. Your Data Protection Rights

Subject to the applicable legal conditions, you have the rights of access (Art. 15 GDPR), rectification (Art. 16), erasure (Art. 17), restriction of processing (Art. 18), notification (Art. 19) and data portability (Art. 20). You may also lodge a complaint with a competent data protection supervisory authority under Art. 77 GDPR if you believe that the processing of your personal data is unlawful, without prejudice to any other administrative or judicial remedy.

Where processing is based on consent, you may withdraw it at any time under Art. 7 GDPR with effect for the future. Withdrawal does not affect earlier processing or applicable statutory retention obligations. Where processing is based on legitimate interests under Art. 6(1)(f) GDPR, you may object at any time under Art. 21 GDPR on grounds relating to your particular situation. We will then cease processing unless compelling legitimate grounds override your interests, rights and freedoms, or processing is necessary to establish, exercise or defend legal claims.

To exercise your rights, please contact STABL Energy GmbH Office Management at info@stabl.com or the Data Protection Officer using the details above.

9. Requirement to Provide Personal Data

Providing personal data for your visit is voluntary. However, we can conduct the visit only if you provide the information necessary to document the visit and maintain security on our premises.
